Dear Jocelyn:

The deadline for mailing the notice to customers in the above-referenced case is August 26, 2019. Would it be possible to move the deadline to September 1st, as that is also the date on which CUC mails bills, and the notice could be sent as a bill insert? Sending the notice as a bill insert would save money and probably make it more noticeable as well.

I was unable to reach counsel for ORS by phone, and in the interest of time, I am requesting their consent by copy of this email.

Thank yours for your consideration of this request.
